Mr. Harry L. Lodish,
National Labor Relations Board,
Guarantee Title Building,
Cleveland, Ohio.

Dear Harry:

You must admit that were there a "Mrs. Harry Lodish", I would be exercising extreme discretion in sending money to her rather than to you.

Incidentally, the mistake was not mine.

I am very interested in the Akron situation. We have heard nothing since the announcement of the Goodrich lock-out. I would appreciate a short description of what has happened.

Regards to Miss Wells and Ralph.

Sincerely yours,

Harold Weisberg,
Sub-Committee of the
Committee on Education and Labor
Under S. R. 266.
